Dear Professor

Sub: Know Your Economy : Awareness Kindling Test - 2015-2016

The above test has been receiving overwhelming support from educational Institutions in Chennai and other parts of India. So far over 25,000 students have participated in the earlier tests in last ten years from different parts of India. We once again announce this Test this year for colleges all over India. Participation in such tests help the students go beyond text books and help them to acquire knowledge of Economics that helps them to perform better in competitive exams, events and help in career planning. Experts world over have predicted an unprecedented economic growth that could make our country over take China. As largest stake holders in Nation's progress (average age of India is 28) the youth from all disciplines would benefit by appearing in the Test and understanding importance of economics.

We enclose the details. The question paper format with one sample answer is also enclosed. A guide booklet will be issued to each participating student, comprising questions and answers and large number of the questions (about 70 percent) this year will be from this guide. Please communicate the details to students from your Institution encouraging them to participate and possibly win a prize.

The College Topper prize will be Rs.1000 and minimum number students required to participate would be 60. Where the number exceeds 100 there will be a college Topper Prize of Rs.500 for every additional 100. Certificates of Merit will be awarded to the toppers. All participating students will be awarded participation certificates. We hope you will encourage as many students as possible to register themselves for the test and enable them to know and understand more about the Indian Economy. The participation fee is Rs.50 per student.

Please let us know if your Institution is participating in the Test before end September to enable us to print adequate number of guide booklet. A letter indicating number of students along with the registration fee should reach us atleast four to six weeks ahead of probable date of the test.

Thanking you,

Yours Sincerely

Tuesday night. The police said that an engineering college student, K. Viswanathan (20) was riding pillion on a motorbike rode by his father, Kavikunjaram, secretary of a cooperative society in Kodimangalam. While riding on the TPK Road, a bus of another engineering college in Virudhunagar, hit the two-wheeler killing the student on the spot. In the other accident, M. Saravanan (45), an employee of a textile showroom, was killed when he had a fall from a TNSTC bus at Naganakulam bus stop. The police said that the man while trying to get down from the bus slipped and got under the rear wheel of the bus.

Scientific Research Association for Economics and Finance, Chennai
KNOW YOUR ECONOMY(KYE): AWARENESS KINDLING TEST 2016-17

Students of B.A (Econ), B.Com., BBA; B.CS, MA (Econ) and M.Com study a subject on Indian Economy. Studying a subject to pass an examination is understandable. But a better knowledge about the economy in which we live is necessary, as its problems affect us in one way or the other. *Students from other streams like Science, management, engineering etc* can also participate to broaden their knowledge about Indian Economy.

To kindle the awareness of students about the Indian Economy, we are organising a Test on: Know your Economy. This is the **Tenth** such test in as many years. So far over 28,000 students have appeared in the Test from all parts of India. The details of the Test are:

Date : Any date **Between November 2016 and January, 2017.**

Venue : Your Own college

Duration : 90 min. (Maximum Marks – 100)

Pattern of Questions : Expanding Abbreviations, Identify, what do you call it, fill in one word/one line answer, questions with multiple choice answers to tick the right one, match names etc.

(*Booklet comprising model Questions & Answers* will be sent to colleges after they furnish the number of students planning to participate. *Questions from the booklet will also be included in the KYE Test.* So it is important the list reaches us at the earliest to give sufficient time for students to prepare once they receive the booklet. Copies of the booklet will be sent soon after we get the number and the fee.)

Eligibility : Students of any year in any discipline who have Indian Economy as subject of study or those interested in economics. The minimum number of students is 60 from each college, to make the programme economically viable.

Certificates : All students who appear for the Test will be issued Certificates .

Prizes : **College Topper Prize Rs.1000.** Where there are more than 100 students additional Special prizes of Rs.500 for every 100 or part there of. Merit Certificates will also be issued to the winners. Minimum number of students required is 50.

Fee : There is a participation fee of Rs.50 per student. Confirmation of Participation with number of students indicated along with the fees has to reach us at least **six weeks** before the probable date of the test to enable us to send the model booklets well ahead. The fees may be sent in the form of cheque or DD drawn in favour of **Scientific Research Association for Economics and Finance** and mailed/couriered to New No.22, Karpagamal Nagar, Mylapore, Chennai – 600 004.

For further details/clarifications please contact T.S.Gopal (Mobile 98400 92850) or E-mail; teessgopal@hotmail.com

PROPOSAL

Date: 31/08/2015

I would like to introduce Next Step as a native yet very effective training and consulting organization.

We are an expert in imparting Training, related to Soft Skills Development and Behavioural Sciences. We have highly inspirational and motivating trainers with a unique blend of spiritual well being, insight, wisdom and humour. We work on the concept of the three key strands of 21st century – emotional/spiritual intelligence, management/leadership development and continuous and conscious learning.

Our Training Methodology includes:

- Entirely focused on EXPERIENTIAL LEARNINGS with the use of Group & Individual Activities, Case Studies, Role Plays, Adult Learning Principles and Thought & Introspection sessions.
- The duration of the above courses depends on the content and the objective of the client.
- Focused more on the method of Habituation to bring more impact with the audience. We ensure on time and impactful delivery of trainings.

Our Expertise trainings for Students are:

Attitude and Thinking process	Easy way to English Language	Presentation skills
Career Pathway	Emotional Intelligence	Problem Solving Skills
Change Mgmt	Goal Setting	Roles and Responsibilities
Communication Skills	Industry Exposure / Knowledge	Self Awareness
Confidence Building	Interview Techniques	Selling / Marketing "Myself"
Conflict Mgmt	Learning Process	Stress Mgmt
Conscious Learning	Motivation	Tips For Spoken English

The Costing per Session:

Option	No of Hours	No of Participants	Charges in Rs
Option 1	2 Hours	Min 50 / Max 60	2000

Though our charges are reasonable, the Quality remains uncompromised.

THE UNIVERSITY OF CHICAGO

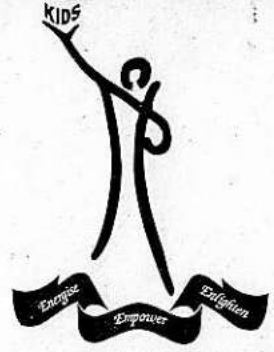

PHILOSOPHY DEPARTMENT

I have been thinking about the possibility of a
 world in which the laws of nature are not
 uniform. It seems to me that such a world
 would be very different from the one we
 live in. In our world, the laws of nature
 are uniform, and this is what makes
 science possible. If the laws of nature
 were not uniform, we would not be able
 to make any predictions about the future.
 We would not be able to understand the
 world around us. It seems to me that
 a world in which the laws of nature are
 not uniform would be a very strange
 world indeed.
