OBJECTIVE

“Education is not the filling of a pail, but the lighting of a fire”. Education contributes to human development. It also provides knowledge, skills and attitude required to succeed in the personal, social and economic upliftment of individuals and there by accelerates the process of national development. Education can play the role of a catalyst that transforms individuals into a life of prosperity and wisdom. In 21st century's competitive environment, all individuals (either male or female) of the society have to play their roles for productive life and successful survival with an objective of making a distinct mark. Winston Churchill, while insisting the significance of education, rightly observed “ The empires of the future are the empires of the mind”. Every educational institution has to play a significant role in uplifting teaching performance and in order to meet the challenges.

Mannar Thirumalai Naicker College is initiating several innovative measures in order to address the genuine concerns and needs of the Society. It threw open the doors of higher education to women students in the early eighties.

This laudable effort has emboldened several women candidates to compete with their male counterparts and also to complement them.

It has been rendering significant service to the society by fulfilling the aspirations of thousands of first generation learners. The institution has witnessed an exponential growth from a humble accommodation at Shri Rama Vilas Mandapam, Shenoy Nagar, in 1974 to the sprawling campus of 32 acres in Pasumalai, Madurai. The members of the Management, the members of the Teaching and Non-teaching Staff are wholeheartedly committed to the task of making the institution one of the most sought after colleges in Madurai.

The perseverance of the Management, the hard work of the members of the Teaching and Non-Teaching Staff and the cooperation of the students have paid rich dividends. At present, the College offers 7 Under Graduate, 2 Post Graduate, and 4 Ph.D Programmes. UGC has granted Autonomy since 2015-16 and it paves the way for having not only the academic freedom but also the flexibility in functioning at all levels.

Brief History of the College

Mannar Thirumalai Naicker College has found a distinct spot in the educational map of South Tamilnadu. It is a unique Alma Mater to a galaxy of eminent men and women shining in various realms of life in India and abroad. This educational temple was founded due to the untiring efforts of the Tamil Nadu Naidu Mahajana Sangam. The service minded Patrons started this college in 1974, for the welfare and development of the educationally and economically backward Telugu speaking minority Naidu community. The College has been christened as Mannar Thirumalai Naicker, whose motto is "To rule is to serve"

The then Chief Minister of Tamilnadu Dr. Kalaingar Karunanidhi opened the college on 18th August, 1974. The foundation for the college building was laid by Cavalier Mr. G.K. Devarajulu Naidu . The college which had initially functioned in Shenoy Nagar at Shri Rama Vilas Mandapam, was shifted to its own premises in Pasumalai on 4th September, 1979.

Our College was upgraded to degree status during the academic year 1979-1980.

The college became the first co-educational Institution in Madurai City during 1982-83. The

Central Govt allotted 24 acres of land adjoining National Highway for the expansion of college. The State Govt allotted 7.48 acres of land for the college. The credit for initiating allotment of land from the Central and State Governments goes to late Mr.K.Rajaram Naidu, Former Minister of Tamil Nadu. The statue of Mannar Thriumalai Naicker, which is in the college premises, was donated by Periakulam Mr.V. Nagaraj Naidu. Due to the efforts taken by the present Management of our College, about 2.5 lakhs sq. feet of buildings were built in a very short period.

Library building covering an area of 13,000 sq. feet in the ground floor and classrooms, a conference hall in the first floor and a air conditioned seminar hall in the second floor has been constructed owing to the sacrificial initiatives and commitment of the present management.

The Administrative Block which houses a magnificent Office of the Controller of Examinations, Deans' Office, Valuation Halls in the ground floor and class rooms in the first floor has been constructed in an area of 30000 sq. feet. This Block which looks like the crowning glory of Institution, is an eloquent testimony to the devotion of the management.

About 1200 Students are entrolled under Aided Programmes. 55 Members of the Teaching faculty and 30 Members of the Non-Teaching Staff are serving the institution.

75 class rooms, with very good ventilation and a huge auditorium which can accommodate more than 2000 delegates are available in our college. There are also three well furnished seminar halls in which more than 900 delegates can sit comfortably. The institution can also boast of a play ground with a sprawling area of 7.48 acres. A hygienic Canteen, Women's hostel, Computer laboratories with 435 systems and a magnificent library building are the infrastructure facilities which make our institution stand out. Our library has about 42657 books and 70 Journals.

A salient feature of our library is the reading hall which can accommodate about 150 students. Stone benches have been made under the cool and shadowy trees for the benefit of students.

Arrangements have been made to provide safe, drinking water with RO facility. Transport facility has been arranged exclusively for women students. TNSTC plies a few buses for them from the campus to key destinations.

Gym and two smart class rooms enrich the ambience of our college.

The college was reaccredited and retained with 'A' Grade by NAAC in the year 2018.

The UGC has granted autonomous status to our college since 2015 – 16 academic year.
