Pasumalai, Madurai -625004

PG - PROGRAMME OUTCOMES OF ARTS / HUMANITIES

At the post graduation and research studies level, Arts/ Humanities help a student to develop powers of analysis and expression.

PO1: It is an academic discipline which deals with the study of the ‘Human condition’, utilizing methodologies that are usually analytical, critical or speculative.

PO2: It helps to deepen the sources of wisdom by learning how others have dealt with failures, success, adversities, and triumphs.

PO3: It provides an insightful understanding into moral, ethical, political and ideological forces.

PO4: Employers prefer people from Arts/Humanities background, because not only they have the ability to work independently and analytically but they are also experts in problem solving, written and oral expression, and Communication and presentation skills.

P.G - PROGRAMME OUTCOMES OF SCIENCE

PO1: To develop a global perspective by studying reasoning throughout the world.

PO2: To practice the analytical thinking skills to be a successful student and employee through linking society and student Institution and to prepare students to apply their knowledge and multifaceted skills to be employed and excel in their careers.

PO3: To verify the values by comparing and contrasting them to what others have thought.

PO4: To provide a holistic, spiritual, time management and Internship leadership skill.
