to me

Hi Team,

I thoroughly enjoyed the Day 2 session on AI Tools for Research and Publishing. It was truly insightful and valuable. Could you kindly share the recorded video and presentation slides for our reference?

Thank you and looking forward to the next session.

Best regards,
Manoj Kumar.N

Skill Development Programme on "Chatbot Creation Using PYTHON"

Report

- 1. Organising Department:** Computer Science with Artificial Intelligence
Name of the Programme: Chatbot Creation using PYTHON
Type of the Programme: Guest Lecture
Date of the Programme: 29th September 2023
Venue : Moorthy Naidu Andalammal Arangam
Participant : UG – CS, AI, B.C.A

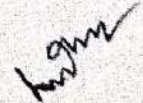

2. About the Programme:

Department of Computer Science (Artificial Intelligence) has organized **Skill Development Programme on "Chatbot Creation using PYTHON"** for I B.SC CS(AI), I B.Sc CS A,B, I B.C.A. The programme was conducted on 26.09.2023. **Mrs.Lalitha Rajagopal**, Data analyst, WIZInoa has acted as a resource person in this programme.

Our student S.Nagajothi I B.Sc CS AI gave welcome address and R.Sarusakthi I B.Sc CS AI introduced the Chief Guest.

Mrs.Lalitha Rajagopal resource person delivered key note address to the students about how chatbot improves a new kind of customer relationship in the business. The session clearly explained the creation of Chabot apps with the help of artificial intelligence (AI) to recognize the user's intent and offer appropriate replies. 137 students from our department benefited from this programme and they get insight about the recent trends in chatbot. This programme was organized by our department faculty Dr.G.Parkavi. The Head of the Department R.Vasuki successfully convene the event. R.Sri Mira Alfasa from I B.Sc CS AI proposed the vote of thanks. Finally, this programme was concluded with National Anthem.

Dear Veerapandi,

I am writing to accept your invitation to deliver a guest lecture on the topic of "Generative AI". I am excited to share my expertise with your students.

I have attached my resume for your reference. I have been working in the field of information technology for over 10 years.

I am confident that my lecture will be informative and engaging for your students. I will cover the basics of generative AI. I will also discuss the potential applications of generative AI in a variety of fields.

I look forward to speaking with you soon to discuss the details of my lecture.

Sincerely,

Arul Benjamin Chandru E

Projects

Project Title: SRMIST Hall Booking Software

Brief Overview of Project

SRMIST RAMAPURAM – Hall Booking Software portal provides centralized and consolidated state-of-the-art Hall booking and managing facilities for all halls/auditoriums available at SRMIST, Ramapuram Campus. It allows users to directly reserve the date and time of use of halls for the various events at SRMIST at a push of a button.

Tool Used: HTML, CSS, Java Script, PHP & MySQL

Members: Single

Project Title: Medical Shop Management System

Brief Overview of Project

Medical Shop Management System is an application is used to gather information’s in the products. Basically, Medical Shop Management System includes all of the technologies on which successful strategies are built.

Tool Used: VB 6.0 and Oracle 11g

Members: Single

Project Title: CODEPOINT (Mini Project Programs in C Language)

Brief Overview of Project

Android App built-in programs and along with Dynamic Output and it very convenient for user handling

Tool Used: Android Eclipse Juno

In the workshop, participants were introduced to ChatGPT, an AI language model, and various AI tools. These tools were designed to streamline tasks, increase productivity, and ultimately save two hours of daily work for the users. The workshop covered practical applications and demonstrations of these AI tools to help participants understand their potential benefits.

The event was met with enthusiasm and satisfaction from the attendees, who found the knowledge gained to be highly valuable in optimizing their daily routines and workflows. The organizers were pleased with the positive feedback and the evident impact of the workshop on the participants' productivity and efficiency.

Overall, the two-day workshop successfully showcased the power of ChatGPT and AI tools in saving time and received praise from both the participants and the event organizers.

Address by Dr.S.Veerapandi,Assistant Professor

He has delivered about the resource person academic details, his achievement and his patent and publications. It shows how the resource person has the resounding knowledge about the particular field.

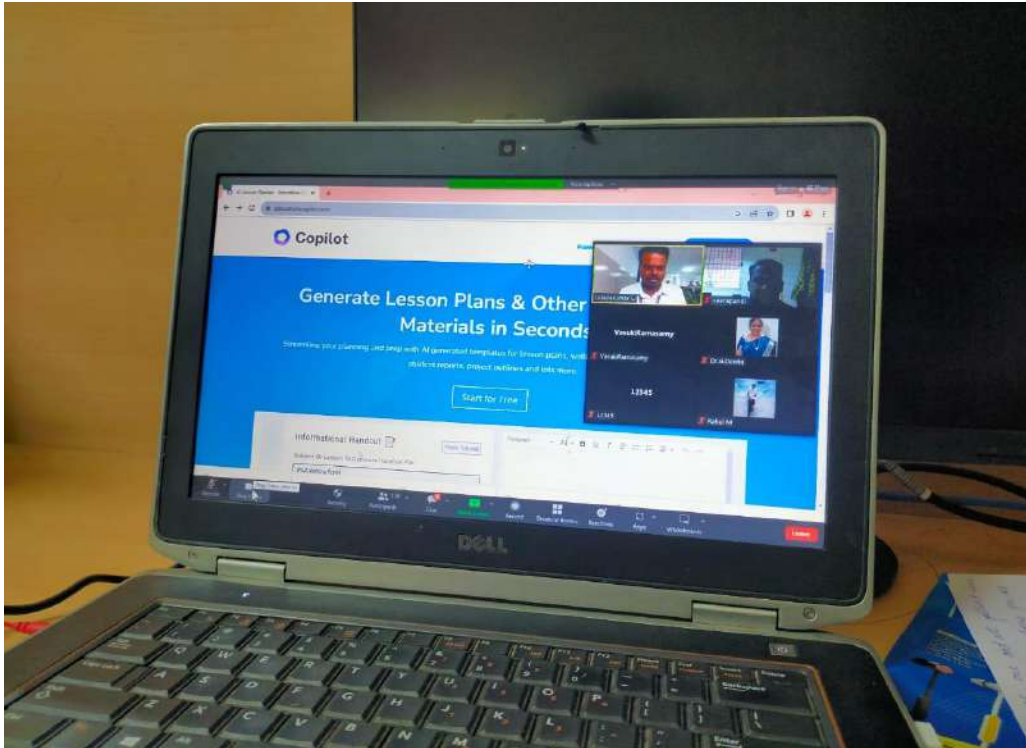

Dr.S.Veerapandi

Session was take over by Resource person U.Udayakumar,Assistant Professor,Department of Computer Science and Applications,SRM Institute of Science and Technology,Ramapuram Campus ,Chennai.

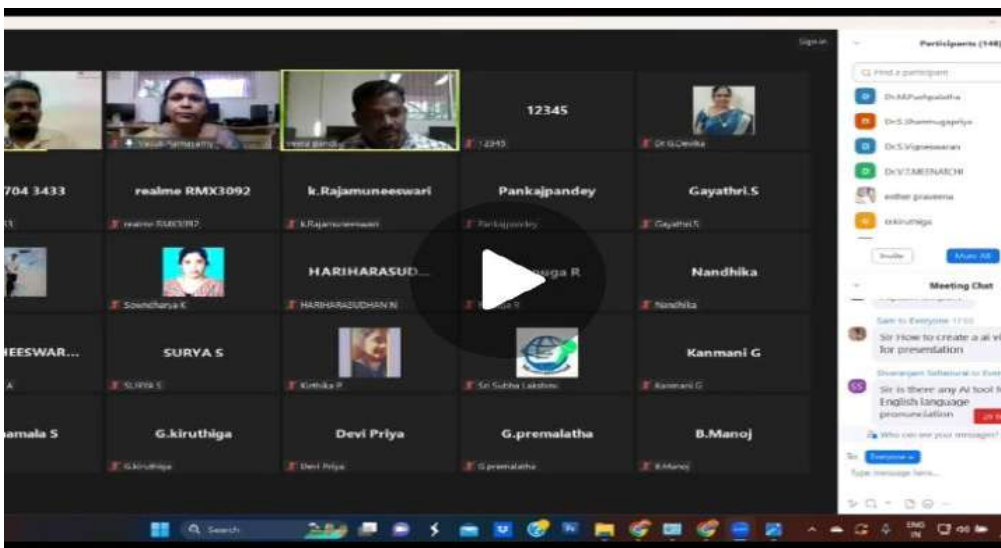

Day 1

1. Artificial Intelligence - Introduction
2. About ChatGPT with Practical demonstration
3. About Microsoft Office 365 - Web Version
4. Automated Data Entry with OCR
5. How to Integrate ChatGPT with Prep AI – Test Generator

Day 2

1. Office 365 - Filter Formula
2. Record Macro – Advanced Filter
3. Excel Hacks – Conditional Formatting
4. PowerPoint Hacks – Slide Master
5. Education Co-Pilot

Feedbacks are collected from the participants separately for two days. Some of the participants given their feedback in open forum on day2.It will give new hope to the department to conduct these types' programmes in future.

Address by R.Vasuki,Assistant Professor and HOD,Department of Artificial Intelligence moderated Day 1 and Dr.SVeerapandi moderated on day2.Day2 session was concluded with a vote of thanks given Prof. **R.Vasuki**.
