Department of BBA (SFV) have organized a guest lecture on the topic Picketing by Labour –A critical Analysis by Ms. S. Judith Emiley, Advocate, Madurai. This session imparted about Picketing is a method of protesting where individuals stand outside of a workplace or organization to publicize an issue, often a labor dispute, and persuade employees or customers to withhold their work or business. Students gained knowledge about the Act by workers of standing in front of or near a workplace to call attention to their grievances, discourage patronage, and, during strikes, to discourage strikebreakers. Picketing is also used in non-work-related protests.
