

Activities for academic year 2019-2020

1. Guest Lecture programme on “Basic Concepts in Organic Chemistry and Stereochemistry”

Resource Person

3rd Feb, 2020

Dr. K. SELVAKUMAR
Assistant Professor
PG and Research Department of Chemistry
Thiagarajar College
Madurai – 625 009.

The Resource person delivered the lecture on “Basic Concepts in Organic Chemistry and Stereochemistry” to students precisely. He explained the importance of organic chemistry and stereochemistry in development of synthetic drugs. He shared his sound knowledge of organic chemistry to student participants with his DST-SERB sponsored project. After his lecture, He clarifies all the queries raised by both student and faculty.

2. Two days Science Fair – “EQUIP 2K19” for Madurai district school students

Resource Person

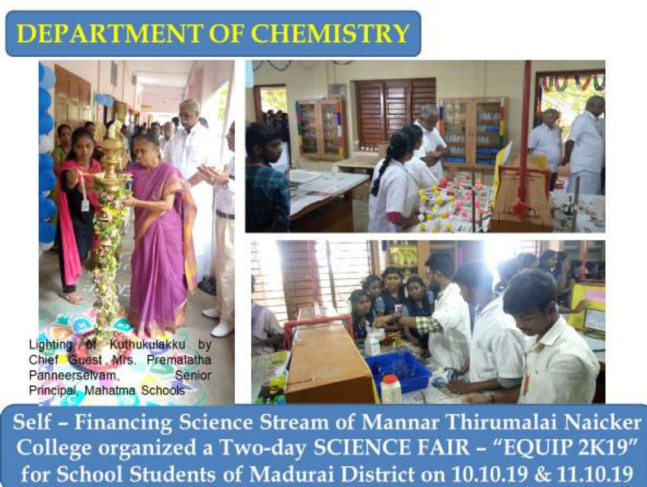

10th & 11th Oct, 2019

Mrs. PREMALATHA PANNEERSELVAM

Senior Principal

Mahatma Group of Schools

Madurai.

Department of Chemistry organised a two days science fair “Equip 2K19” for Madurai district school students. The Science fair was inaugurated by Mrs. Premalatha Panneerselvam, Senior Principal, Mahatma Group of Schools by lighting the kuthuvilakku.

**3. Outside campus visit to Central Electro-Chemical Research Institute
(CECRI) 26th Sep, 2019**

DEPARTMENT OF CHEMISTRY

**Industrial Visit to CSIR - CECRI, Karaikudi observes
Open Day Celebration on 26.09.19**

The students along with the staff members visited the outside campus Central Electro-Chemical Research Institute (CECRI) in open day. The visit was highly focused on Research Instrumental activities and working processes of Technical instruments.

4. Inauguration of CHEM SPECTRA association and Guest Lecture

Resource Person

12th July, 2019

Dr. T. ARUMUGANATHAN

Assistant Professor

PG & Research Department of Chemistry

Thiagarajar College

Madurai – 625 002.

DEPARTMENT OF CHEMISTRY

Inauguration of Association "Chem Spectra Cum Guest Lecture" Programme on 12.07.19

The Inauguration of student association of department CHEM SPECTRA was performed in front of the resource person Dr. T. Arumuganathan and administrators of CHEM SPECTRA association were appointed. As part of the ceremony, resource person delivered the lecture to students entitled "Basic Concepts in Physical Chemistry".
