

Department of Chemistry
Activities for the academic year 2021-2022

**1. Two Days International Conference on Frontiers in Chemistry and
Material Science (ICFCMS-22)**

Resource Persons

21st & 22nd Dec, 2021

Dr. S. ABRAHAM JOHN

Professor and Director
Centre of Nanoscience & Nanotechnology
The Gandhigram Rural Institute
Dindigul, Tamil Nadu, India.

Dr. N. SIVA SHANMUGAM

Associate Professor
Department of Mechanical Engineering
National Institute of Technology
Tiruchirappalli, Tamil Nadu, India.

Dr. P. GNANAPRAKASAM

Post Doctoral Researcher
Department of Materials Engineering
University of Concepcion
Chile, South America.

Dr. R. SAYEE KANNAN

Assistant Professor
Department of Chemistry
Thiagarajar College
Madurai, Tamil Nadu, India.

Dr. J. VINOTH KUMAR

Research professor
Department of Nano Engineering
Chosun University
South Korea.

Dr. A. SUBRAMANIA

Professor
Centre for Nano Sciences & Technology
Pondicherry University
Pondicherry, India.

The first International Conference on “ Frontiers in Chemistry and Material Science”(ICFCMS-21) was hosted by the Department of Chemistry on 21 &22 December, 2021. ICFCMS-21 had Six Eminent researchers from reputed institutions at National and International levels as Resource Persons. The theme of this Conference covered all broad areas in the field of Chemistry and Material Science including Green Chemistry, Medicinal Chemistry, Nanotechnology and smart materials. The total number of registrations received was 115, Out of which 25 are oral presentation and 11 are poster presentations. ICFCMS-21 explored the latest advances in Nano science to produce safe and sustainable materials, with unique properties for human health and environmental sustainability. The abstracts of papers received were published in ICFCMS-21 proceedings with ISBN.

- Department of Chemistry organised one day workshop on “Chemistry in Everyday Life” 08.04.2022
