About the College

The renowned educational organization **Mannar Thirumalai Naicker College, Madurai** has created a niche on the educational map of South India. It is a unique alma mater and has shaped a galaxy of eminent men and women shining in various realms of life in India and abroad. This educational epitome was established by the untiring efforts of the philanthropic organization, Tamil Nadu Naidu Mahajana Sangam, under the patronage of like-minded patrons in 1974 for the welfare, benefit and development of the educationally and economically backward Telugu speaking Naidu minority community.

The college has been christened with the name of Mannar Thirumalai Naicker, the most notable king of this region of the ancient past who has left a rich legacy and heritage to the city of Madurai, whose dictum was **To rule is to serve**. Undoubtedly, this dictum is carried forward by the college over the span of forty-nine years nurturing the young minds to educate and live strong in the macrocosm taking with them the efficacy of the Mannar Thirumalai Naicker.

About the Department

The Department of Commerce with Computer Applications was started in the academic year 2001- 2002 and upgraded as Post Graduate Programme in the academic year 2011 - 2012 with the objective of conceptual foundation in areas of Commerce and Computer Applications based educational activities. It is a self-financing programme affiliated to Madurai Kamaraj University.

A Twinning Programme with an exclusive Computer Lab with latest version of software along with accounting expertise learning is the highlight of this course offered by our Institution. Besides the educational programmes, the Department has been organizing guest lectures, seminars, skill development programmes, workshops and Hands – on – Training by inviting senior professors and senior officials of the government departments and leading organizations relating to the field of Commerce with Computer Applications. The Department arranges industrial visits to the students periodically so that they equip themselves to be a part of the society to take measurable contributions.
