To

The Principal,

Indira Gandhi Memorial Matric. Hr.Sec. School,

Madurai.

Respected Sir/Madam,

Sub: **Invitation to Tech Campus 2025**

The Departments of Computer Science, Information Technology, BCA and Artificial Intelligence are excited to announce **Tech Campus 2025**, a two-day event designed for higher secondary students, scheduled on 9th and 10th January 2025. This event aims to enrich and provide students with insights into the latest developments in the IT industry and the vast scope of Computer Science in today's world.

Highlights of the event

- **Interactive Live Activities:** Hands-on experiences to enhance learning.
- **Exhibition of Models:** Showcasing innovative projects and ideas.
- **Campus Tour:** Offering students a chance to explore our facilities and infrastructure.

We kindly seek your support in encouraging your students to participate in Tech Campus 2025. This would be a wonderful opportunity for them to gain valuable knowledge and engage in enriching activities. We look forward to welcoming your students to this exciting event.

Thank you for your cooperation and support.

Warm regards,

Principal

Programme Report

Tech Campus 2025 – A Brief Report

The Department of Computer Applications successfully organized the Tech Campus 2025 programme for school students on 9th and 10th January 2025. A total of 1,140 students from 21 schools participated in the event and had the opportunity to explore various labs in our college.

Lab 1: Presentation on Current and Future Technology

A presentation on Current and Future Technology was conducted, where final-year students briefed the participants on the following topics:

1. Virtual Reality
2. Mobile Computing
3. Internet of Things
4. Cyber Security
5. Neural Networks
6. Cloud Computing

Lab 2: Game Applications

Participants had the opportunity to engage with game applications installed in Lab 2. Students from Class 11 and Class 12 enjoyed interacting with the applications, enhancing their skills in game development. Faculty coordinators and student volunteers assisted the school students in using the applications effectively.

Room No. 315: Future Technology Models Display

A total of 14 models related to Future Technology were showcased, with detailed explanations provided by our students. The models presented included:

1. Password Generator and Cyber Security
2. Light Sensor Device
3. E-Wallet
4. Mobile Wallet
5. 3D Hologram

6. Humanoid Robot (IRIS)
7. 3D Hologram Projector
8. Ultrasonic Radar System
9. Graphics Animation Program Using C and C++
10. Virtual Mouse

Students from Class 11 and Class 12 attended the display accompanied by their teachers.

Lab 3: Augmented Reality Experience

Participants were introduced to Augmented Reality in Lab 3, providing them with hands-on exposure to this cutting-edge technology.

Additional Activities

Our PG Computer Science students provided an overview of the college infrastructure, courses, facilities, and activities. Faculty coordinators also gave insights into future technologies and the Department of Computer Applications.

Organizing Team

This event was meticulously organized by Ms.R.Vanitha, Ms.V.Bhavani, and Ms.N.Hemavathi, under the overall coordination of Ms.M.Muthulakshmi, Head and Assistant Professor in the Department of Computer Applications.

Tech Campus 2025 was a resounding success, offering school students an insightful and interactive experience in emerging technologies and computing advancements.
