REPORT ON INTERNSHIP AWARENESS PROGRAM

“REDHAT LINUX”

On

10th April 2024

Department of Computer Science organized an Awareness Program on “REDHAT LINUX” on April 10, 2024 in Room No 322. This lecture was focused on working on LINUX platform machine and deep learning. The program started at 11:30 am with tamiltai vaazhthu. Following that, Dr.G.Devika presented the welcome address. Then Dr.S.Veerapandi gave an introduction about chief guests. The keynote address was given by Chief Guests Mr. R.Balakumaran from Winways Group of Companies.

Mr. R.Balakumaran has completed his Masters in Information Technology. He is a senior person in the group with 12+ years of experience in this company. He is currently operating as Sales Lead and LINUX expert. He is also the Project and Sales coordinator for our company.

Mr. R.Balakumaran has completed his Engineering of Electrical and Electronics. He is a senior Developer in the group with 12+ years of experience in this company. He is currently operating as Domain Projects Lead. He is also the Project Validator for our company.

He gave them a preface about their company and LINUX. In this session he briefly talks about how to do the project in python and what are the necessities of LINUX Platform.

Red Hat Enterprise Linux provides more than an operating system—it also connects you to Red Hat’s extensive hardware, software, and cloud partner ecosystem, and comes with 24x7 supports. Red Hat Enterprise Linux 9.4 is our latest release, but with access to all supported versions and a 10 year life cycle, you can upgrade on your schedule and adopt new features when needed.,and edit-test-debug cycle is very fast.

Redhat Linux is a growing technology which enables computers to learn automatically from past data.

He concludes his session by saying that we can use the Redhat Linux Tool on and deep learning. Students ask some queries to him and he clarify.

The vote thank was given by Mrs.K.Sandya. Followed that played national anthem
