

Department of Computer Science Activities

Year 2022-2023

S.No.	Description	Photos
22	A state level Inter-collegiate meet IMPERIA 2k23 organized by the Department of Computer Science, Information Technology and Computer Applications, Mannar Thirumalai Naicker College on 10.03.2023.	
21	On 23.02.2023, The Department of Computer Science organized a one-day Programme on “Machine Learning with PYTHON” Awareness Programme for all second-year computer science students.	
20	The Department of Computer Science and Commerce jointly organized health awareness programme on the topic “Break The Stigma” on 09.02.2023. Nearly 252 girls from various departments participated.	
19	Departments of Computer Science, Information Technology & Computer Applications organized Tech Campus-2023 programme for school students on 20.01.2023. In Lab1 , Lab2 , and Lab3 presentation on Future Technology was organized.	

18	Students of Department of Computer Science (batch 2021-2024) organized an awareness program on “hologram and graphics” for the HSC students of Muthudever Mukulathor school near Thiru Nagar on 11.01.2023.	
17	Department of Computer Science organized an awareness programme on “IT Trends in Aviation Industry” on 23.12.2022. The procedure to get inside the airport industry and the significance of training to the final year students.	
16	On 14.12.2022, Department of Computer Science organized a Street Play on Hologram Technology and 5G Network Awareness Programme for Common People to get Knowledge of Hologram and 5G technologies.	
15	Department of Computer Science organized a “Industrial Training to Final Year students” on 08.10.2022 in Elsyium Academy at Anna Nagar Madurai. This orientation session program focused on how the recent technologies, Projects and about their Internships.	

14	<p>The Event Exhibit your talent a part of Intra Department Meet (BOT'S) 2K22 held on 30.09.2022 at Rtn. Major Sundarajan Hall, At 2 pm onwards. Number of teams Registered here 17. Out of 17 teams 15 teams are participated.</p>	
13	<p>Department of Computer Science organized a event TIPS AND TRICKS a part of Intra Department Meet (BOT'S) 2K22 held on 30.09.2022. 11 members Registered in this event.</p>	
12	<p>The Event Flameless Cooking a part of Intra Department Meet (BOT'S) 2K22 held on 29.09.2022. 23 Teams Registered in this event.</p>	
11	<p>On 28.09.2022, Department of Computer Science organized this programme to develop entrepreneurship skills among the students. A total of 152 students participated in this webinar.</p>	

10	Department of Computer Science organised a Event Software Debugging a part of Intra Department Meet (BOT'S) 2K22 held on 28.09.2022. 50 Students Registered in this event.	
9	Department of Computer Science organised a Even Facial painting a part of Intra Department Meet (BOT'S) 2K22 held on 28.09.2022. 22 Students Registered in this event.	
8	Department of Computer Science organised a Event Poster Making a part of Intra Department Meet (BOT'S) 2K22 held on 27.09.2022. 16 students are registered in this event.	
7	Department of Computer Science organised Event PAPER PRESENTATION a part of Intra Department Meet (BOT'S) 2K22 held on 27.09.2022. 14 Teams Registered in this event.	
6	Department of Computer Science organised Event QUIZ a part of Intra Department Meet (BOT'S) 2K22 held on 26.09.2022. 60 Students Registered in this event.	

5	The Department of Computer Science organised Ozone Day Awareness programme on 16.09.2022. Various competitions like poster making, drawing, PowerPoint presentation on the topic of Global Cooperation of Protecting Life on Earth was conducted for I B.Sc(CS),B.Sc(IT), BCA students.	
4	On 18.08.2022, Department of Computer Science organized a Guest lecture on Data Science. The resource Person Clearly explained the Data Science concepts and its challenges.	
3	The Department of Computer Science in association with ICT Academy organized a Workshop on Android Application Development on 16th August and 17.08.2022 in promoting the use of Android Application development in life time & how to make mini projects using Android Studio. Second Year B.Sc CS Students actively participated in this programme.	
2	Academic year 2022-2023 we have conducted IIT – Spoken tutorial online course to all the science stream departments. Online courses like C, C++, Java, PhP & MYSQL, Python 3.4.3, R Programming, Front Accounting, and Libre Office Writer.	
1	Academic year 2022-2023, CS, IT and BCA departments organized a Skillathon programme for UG and PG Computer Science, B.Sc (IT) and B.C.A students. Free Open-Source Software course demonstration was conducted to all the registered departments.
