---	---	---

<p>Mannar Thirumalai Naicker College, Madurai</p> <p>The renowned educational organization 'Mannar Thirumalai Naicker College', Madurai has created a niche on the educational map of South India. It is a unique alma mater and has shaped a galaxy of eminent men and women shining in various realms of life in India and abroad. This educational epitome was established by the untiring efforts of the philanthropic organization, 'Tamilnadu Naidu Mahajana Sangam', "under the patronage of like-minded patrons" in 1974 for the welfare, benefit and development of the educationally and economically backward Telugu speaking Naidu minority community. The college has been christened with the name of 'Mannar Thirumalai Naicker', the most notable king of this region of the ancient past who has left a rich legacy and heritage to the city of Madurai, whose dictum was "To rule is to serve". Undoubtedly, this dictum is carried forward by the college over the span of forty-five years nurturing the young minds to educate and live strong in the macrocosm taking with them the efficacy of the college 'Mannar Thirumalai Naicker'.</p> <p>Department of Food and Dairy Technology</p> <p>Department of Food and Dairy Technology was established in the year 2017. The department takes legitimate pride in honoring well-established infrastructure. The course Food and Dairy Technology is the application of Food Science and Dairy Technology in the field of selection, preservation, processing, packing, distributing and usage of safe and nutritious food. This course provides depth knowledge and practical skills to students regarding food manufacturing, food preparation and dairy products preparation. Providing two major professional course Food Science and Dairy Science is the uniqueness of this department.</p>	<p>Resource Person</p>  <p>Dr. M. Daniel Jebaraj M.Sc.(Agri).,Ph.D, Managing Director Agri Amigos Pvt. Ltd. Theni</p> <p>Profile</p> <ul style="list-style-type: none"> • 8 Years Experience in Agriculture Industry • 6 Years Experience in Academic and Administration • Career Counsellor – Agriculture & Academic Jobs • Advisor – Startups and Farmer Producer Company • Educator - Rural Banking 	<p>Benefits of Training</p> <ul style="list-style-type: none"> • Objective of this Training Programme is exploring the ways for Empowerment and Entrepreneurship Development in Science and Technology. • Entrepreneurs are the driving force of every nation's economy and society. Entrepreneurs are the spark that ignites the flames of economic development in a country. • This training gains knowledge on government Policies on entrepreneurship, Company Registration, Employment generation, Maintenance of Organization and design thinking rather than job seekers. • This training also emphasize Entrepreneurship opportunities for Science Graduates, Startup Ecosystem and Business Incubator Forum, Funds and Grants for Science Graduates to establish new entrepreneurship, Challenges and Difficulties for Entrepreneurship and Government and Banking system for Entrepreneurship Development <p>Department of Food & Dairy Technology</p>
