Report

The Rotaract Club of Mannar Thirumalai Naicker College (SF), along with its Vice President, Secretary, and members, participated in a cleanliness program in the streets of Madurai, joining forces with DYFI and SFI on November 13, 2023. A clean and tidy environment not only looks good but also has a positive impact on our mental well-being. We cleaned the roads in Villakuthoon on November 13. While cleaning, we realized the value of sweepers. Hats off to the sweepers who work hard for our lives. It's one of the chances to learn about someone's struggles who suffer for us and a chance to understand how life differs for each and everyone.

Reports

As a Rotaractors, we tend to meet many people during our service where we are showered with bundles of love and blessings. We would love to share one such heartfelt incident during our first School project named **SEVAI SUVAI**, inaugurated in one of the Government schools of Ariyalur. We donated the primary class children of the school with the essential study kit, ceiling fan to the classroom, wall cloak and renovated the black board in the class. Getting to the roots of the project, Mrs. Sujatha, mother of our president Rtr. S. Suryaprakash who is a teacher in the school had shared a nurtured thought of their students where her students planned to have a piggy bank in the classroom in which the students save money together to get an essential thing for their classroom. This behaviour of the students moved our **Team Sigaram** to bring the positive change in the youngest minds. Our team had collected funds and reached the school on 30th Nov 2023 with the essentials to witness the change in the school, but we arrived there only to realize the divinity in the form of kids. They welcomed us with their innocent hearts to which we ourselves had become younger with them. We had a dance party which associated the little scholar's company as well. That day had made our team make oath to bring a very big smile on each and everyone's face.

The quote which says, "Don't give the needy money, give them the strength to make money". Likewise, bring smile on people's face, in turn they'll learn to be positive in all means. We had Awesome experience with kids in Thanjavur. We love to see them smile. Event Chairperson Rtr.M.Keerthika Made a speech about Social work , Event Secretary Rtr.M.Baladhandayuthapani spoke about how this event happened and delivered the Vote of Thanks. Sports and Cultural Chairman Rtr.G.G.Nandha Kumar performed the dance Infront of the students to make them happy. In Return 5th Std Girls performed dance and Boys sung songs related to Farmers. We all remember our childhood days when we saw them. After completing the event, we couldn't leave because we didn't want to miss their cute innocent faces and smiles.
