## **Brief Report**

Rotaract Club of Mannar Thirumalai Naicker College and Thirunagar Pakkam Team together organised a massive tree plantation programme on 14<sup>th</sup> September 2021 in Thirunagar and alerted the public about the peril that men are putting themselves in by cutting down trees. Later, the club members spoke about how this results in climate change that in turn affects the ecosystem. They stressed the need of planting more trees to offset the damage already done by saying the famous quote save trees save the earth.
