SYMBOLIC CONSCIOUSNESS OF OUR EMBLEM

The emblem of the college was designed and painted by the founder Principal Dr. M.K. Sripathi Ph.D., D.Litt., of the college in the old premises of Rama Vilas Mandapam, Shenoy Nagar, Madurai in 1974 and stands the test of time.

Foremost to say, our emblem for the college is a testimony of 48 years of history and evolution of Mannar Thirumalai Naicker College, Madurai. It is symbolic of all the virtues embodied within a vertical oval shape that stands for a projected appealing positive message.

The college emblem holds the motto written in the state language Tamil which is an equivalent to the words of divine saint Thiruvalluvar, "Letters and Numbers are the two eyes of man" which depict the vision of our College, to mould the learners into accomplished individuals through their learning at the college.

The oval logo holds a temple gopuram with a blossomed lotus on top and in the midst is the image of the king Mannar Thirumalai Naicker who shaped and enriched the city of Madurai during his rule in the 17th century.

The gopuram has an elevated entrance as a symbolic verdict of all goodness that enters into the campus to serve the world of youngsters who join the institution to learn and better their lives.

The temple gopuram as the strong focus of the emblem is an embodiment of strength and power that shapes the institution over long years of its establishment. The blossomed lotus on the top symbolizes of wisdom and purity. It denotes enlightenment, self-regeneration and rebirth from ignorance to knowledge. Undoubtedly, this temple gopuram as a part of the college emblem reveals the sacredness of the place and also designates the college as a meeting place of the elite of a community to congregate and revitalize positivity of the place.

The most attractive feature of this emblem is the presence of mighty strong valiant Emperor Mannar Thirumalai Naicker who stands majestically in the middle of the temple gopuram denoting glory and potent which adds radiance to our college, all the years through and forever more in the realm of education. Most striking feature of the presence of a 'Mannar' in the emblem testifies the centre of administration, symbolic of the efficient running of the college.

Overall, Mannar Thirumalai Naicker College believes in imparting knowledge in lieu with the motto to make the world of the young encapsulated in wisdom in coherence to the mission of the college that aims at ethical, holistic and prudent livelihood.

The essence of our college emblem has elevated our endurance and potentiality to the prime of existence and has put the institution as a manifestation of excellence to many.

BRIEF HISTORY OF THE COLLEGE

The renowned educational institution 'Mannar Thirumalai Naicker College', Madurai has created a niche on the educational map of South India. It is a unique alma mater and has shaped a galaxy of eminent men and women shining in various realms of life in India and abroad. This educational epitome was established by the untiring efforts of the philanthropic organization, 'Tamilnadu Naidu Mahajana Sangam', "under the patronage of like-minded patrons" in 1974 for the welfare, benefit and development of the educationally and economically backward Telugu speaking Naidu minority community.

The college has been christened with the name of 'Mannar Thirumalai Naicker', the most notable king of this region of the ancient past who has left a rich legacy and heritage to the city of Madurai, whose dictum was "To rule is to serve". Undoubtedly, this dictum is carried forward by the college over the span of forty seven years nurturing the young minds to educate and live strong in the macrocosm taking with them the efficacy of the college 'Mannar Thirumalai Naicker'.

The then Chief Minister of Tamilnadu, Dr.Kalaingar M. Karunanidhi inaugurated the college on 18th of August, 1974 and the foundation for the college building was laid by Cavalier Mr.G.K.Devarajulu Naidu. The College which had initially operated at 'Shri Rama Vilas Mandapam' in Shenoy Nagar, Madurai, with 153 students under the effective administration and shifted to its own sprawling premises in Pasumalai on 4th of September 1979. It is befitting to bring to concern at this juncture that the Central Government allotted 24.52 acres of land adjoining National Highway for the expansion of this college. Fortunately, the State Government allotted 7.31 acres of land for the development of the college. However, the credit of initiating the allotment of land from the Central and State Governments goes to late Mr. K. Rajaram Naidu, the Former Minister and Speaker of the Assembly of Tamil Nadu.

With all the initiations it became a bountiful privilege that the college has been included in the list of colleges which have been affiliated permanently under section 2(f) and 12 (B) of the UGC Act, 1956 via appendix. Following the decorum, our college was upgraded to the status of imparting graduate programme to the students from the academic year 1979-80 that it became the pioneering institution to open the doors of higher education to women students in the city providing opportunities to pursue higher education along with their male counterparts in the early eighties. Foremost, our college has been

rendering significant service to the society by fulfilling the aspirations of thousands of first generation learners which made the institution witness an exponential growth in the last four decades.

Remarkably, the resolute efforts taken by the present management of our college, nearly 3 lakhs sq. feet of buildings were built in a very short span of time for the academic and administrative benefit of the officials and of the students. It is a remarkable milestone in the growth of our college. The members of the management along with the teaching and non-teaching staff are wholeheartedly committed to the task of making the institution, one of the most sought after colleges in the city of Madurai. Nevertheless, the perseverance of the management, the hard work of the members of the teaching staff and non-teaching staff with the cooperation of the students has paid rich dividends for a grand futurity and propensity.

At present, the college offers 7 Under Graduate programmes, 2 Post Graduate programmes and 4 Ph.D. programmes on varied disciplines of interest to the students. The college has five research departments which widen the research ambience of the scholars and the faculties of Commerce, English, Mathematics, Tamil and Physics. It is worthy to make a mark here that University Grants Commission has sanctioned 5 crores with the approval for the institution to launch 2 B.Voc, 6 Diploma programmes which are specifically offered within the campus by the Community College, a unit of social dimension of our college.

More so, the institution has built a good understanding with University Grants Commission, philanthropists from the community and the Members of Parliament and Assembly and benefits crores of funds to strengthen the infrastructure of the campus. The paramount structure is our library building that covers an area of 12,521 sq. feet, which houses the library in the ground floor with departments, classrooms and conference halls in the rest of the three floors. This huge palace like structure has been constructed owing to the sacrificial initiatives and commitment of the present management. Our library has a computerized central system with a barcoding facility which houses about 57,797 books and 60 Journals. The salient feature of our library is the vast reading hall which can accommodate about 150 students at a time. Picturesque stone benches have been erected under the cool and shadowy trees in front of the library building for the academic advantage of students. Arrangements have been made to provide safe drinking water with RO facility at vantage points of the campus. Lift also provided by the Management for disabled students and staff members in Library building.

Further, the administrative block which houses a magnificent office of the Controller of Examinations, Dean's office, Valuation Halls in the ground floor along with class rooms in the first and second floors which have been constructed in an expanse of 57,232 sq. feet. This block is the crowning glory of the institution and stands as an eloquent testimony to the devotion of the management. There are 103 well-furnished class rooms with very good ventilation and a huge auditorium equipped with spectacular seating arrangements to accommodate more than 2000 delegates ingrained with efficient lighting system and acoustics. However, the institution has also boast of a playground encompassing a sprawling area of 7.48 acres, having the facilities of 400 mts. standard track, multipurpose cricket ground, cricket nets, football field, kabaddi, kho-kho, volley ball and badminton courts.

No institution can be a holistic wholeness without an eatery, a place where students gather to freshen and satiate their appetite. It is for this reason two hygienic canteens are functioning within the campus providing nutritive food at nominal charges to the happiness of the students of the college. Being in the digital world, it is noteworthy to bring focus the presence of well-structured modern conference halls, smart classrooms, digital language lab, fitness centre, health centre, net café in the campus provisioning comfort zone of academic performances for students. Apart from all the modernization, the campus has well-built structured buildings with modern amenities to house women's hostel, a student amenity centre along with exclusive office rooms for Controller of Examinations, Deans of Arts, Science, Research, Internal Quality Assurance Cell (IQAC) along with 6 Computer labs holding 584 systems with 100 mbps of Wi-Fi and lane-lines being the infrastructure facilities which make our institution a 'state of art' of the region.

As like any other colleges of the area, our college owns a bus to help the rural students of the adjacent areas of the college. Besides, transport facility has been arranged exclusively for women students and TNSTC plies a few buses for them from the campus to key destinations.

The 'Ipso Facto' of the college is that on a gaining tempo in the years of its growth, it was reaccredited and was bestowed with the most coveted 'A' Grade by NAAC in cycle 3 in 2018. In fact, University Grants Commission has granted Autonomy in 2015-16 and it paves the way for having not only the academic freedom but also the flexibility in functioning at all levels. At present, 1,308 students are pursuing higher education and they are being served by 55 Teaching Staff and 36 Administrative Staff, working with commitment and devotion to scale the institution on par excellence with the best institutions of the state.

OBJECTIVE

"Education is not the filling of a pail, but the lighting of a fire". Education contributes to human development. It also provides knowledge, skills and attitude required to succeed in the personal, social and economic upliftment of individuals and there by accelerates the process of national development. Education can play the role of a catalyst that transforms individuals into a life of prosperity and wisdom. In 21st century's competitive environment, all individuals (either male or female) of the society have to play their roles for productive life and successful survival with an objective of making a distinct mark. Winston Churchill, while insisting the significance of education, rightly observed " The empires of the future are the empires of the mind". Every educational institution has to play a significant role in uplifting teaching performance and in order to meet the challenges.

Mannar Thirumalai Naicker College initiates several innovative measures in order to address the genuine concerns and needs of the Society. It threw open the doors of higher education to women students in the early eighties.

This laudable effort has emboldened several women candidates to compete with their male counterparts and also to complement them.

It has been rendering significant service to the society by fulfilling the aspirations of thousands of first generation learners. The institution has witnessed an exponential growth from a humble accommodation at Shri Rama Vilas Mandapam, Shenoy Nagar, in 1974 to the sprawling campus of 32 acres in Pasumalai, Madurai. The members of the Management, the members of the Teaching and Non-Teaching Staff are wholeheartedly committed to the task of making the institution one of the most sought after colleges in Madurai.

The perseverance of the Management, the hard work of the members of the Teaching and Non-Teaching Staff and the cooperation of the students have paid rich dividends. At present, the College offers 7 Under Graduate, 2 Post Graduate and 5 Ph.D. Programmes. UGC has granted Autonomy since 2015-16 and it paves the way for having not only the academic freedom but also the flexibility in functioning at all levels.
