26 January 2021

Under the guidance of College Secretary **Mr. M.Vijayaraghavan**, **Dr. B.Athmanathan**, the coordinator of the research Centre, undertook fieldwork to copy inscriptions to Arulmigu Adhi Shiva temple in Melakkuyilkudi village, Madurai district on 26 January 2021. The head of this village Mr.Jayaprabhu identified the inscription. But other important heads of the village did not allow us to copy the inscription in the temple. All the people in the village gathered in the commonplace and decided to inform us later for copying the inscription.
