The Context:

The intake of the students are from underprivileged families eking their livelihood as Agricultural Coolies, Masons, Vendors, Drivers and daily wage Labourers. Besides, very unfortunately, single or both parents pass away and leave the children in peril without any support. To bring more number of students within ambit, the Management members had to procure additional financial support for students through Philanthropists, Industrialists, Alumni, NGOs and Unorganised Sectors.

Full Fee Concessions have been instituted for Sports Personnel. After regular practice, sports students become hungry and so breakfast is being arranged for them. To give fillip to sports girls, free board and lodging facilities are also provided in the College Hostel.

The Practice:

The Management has instituted financial assistance schemes for promoting Academic Excellence and Sports Activities. During the assessment years a sum of Rs. 18, 56,000 has been disbursed to 163 students. To encourage Postgraduate programmes, fee concessions up to 25 % had to be extended to 303 students. (The total fee concession amount is Rs. 12, 89,125.)

The Management has arranged sponsorships from NGOs, Finance Mahendra and other industries to the tune of Rs.16,01,250 for benefiting 111 students. The total expenditure incurred for sports students is Rs. 40,

26,212. The players have been provided breakfast for Rs. 1, 86,050. Free board and lodging facility was provided to 99 girls at the cost of Rs. 18, 95, 223.

Evidence of Success:

The Management scholarships for the single parent / parentless students have helped such students to complete their programmes uninterruptedly. Full Fee Concessions for sports students, Free Board and Lodging for sports girls have attracted a large number of students under sports quota. Students have achieved significantly in Fencing, , Cricket, Football, Kho kho, Athletics, Boxing, Taekwondo, Judo, Best Physique, Chess, Silambam and Karate competitions. Sports students have secured jobs in Banking, Police, Railway and Defence Services. Owing to the liberal financial assistance to the tune of Rs. 1, 08, 53,860 (One Crore Eight Lakhs Fifty Three Thousand Eight Hundred and Sixty only) through the practice, totally 946 students have been benefitted.

Problems Encountered

The disbursal of scholarships and freeships for students involves huge financial burden on the Management amounting not less than Rs. 50 lakhs every year. Hence, The implementation of government Financial Assistance scheme in higher educational Institutions is bound to steeply increase the literacy rate in higher educational institutions.
