Pasumalai, Madurai – 625 004 Tamil Nadu.

## **The Context:**

The increasing number of programmes, elevation of Tamil and Physics Departments as Research Centres and additional student strength necessitated the need for infrastructure augmentation. IT infrastructure requires updation to meet the growing needs. For providing practical training, Beauty and Wellness Laboratory and Tailoring Unit became necessary. Improved Health Care had to be provided to the stakeholders. For renewable energy resource, solar panels and a biogas plant had to be installed.

## **The Practice:**

The newly constructed storeys house 14 Classrooms, Laboratories for PG Physics and Computer Science, Staff Rooms and Offices for Community College, IQAC and an Air-Conditioned Seminar Hall. MasterSoft software was installed and Enterprise Resource Planning (ERP) implemented in 2019. Internet speed of BSNL has been increased from 36 Mbps to 100 Mbps with standby JIO speed of 100 Mbps for uninterrupted network connectivity on the campus. The Faculty Lab and Hardware Lab are newly added. 42 Projectors have been additionally fitted to classrooms.

30 KVA Solar Panels and a Biogas Plant have been installed to yield renewable energy. A bus and a motor bike have been purchased for transport facility. A well-protected roofed Parking Shed has been constructed to protect vehicles.

2 Lifts in the storeyed buildings are being used by the *Divyangjans*, pregnant mothers and staff. The Paver Block roads interconnect all buildings for easy access. The roads and landscaping give aesthetic appeal for the onlookers

## **Evidence of Success**

The huge infrastructure development has improved the quality of the Institutional performance. The sophisticated Laboratories provide hands on training and experiential learning for the students. IT updation has enabled the Institution to stay in tune with fast pace of advancement in teaching, learning and administration. The method of teaching has shifted from teacher-centeredness to learner-centeredness. Faculty Members evince interact in preparing e-content modules to reach out to distant audience also through online platforms. Thereby, they contribute knowledge transcending constraints imposed by space and time.

## **Problems Encountered and Resources Required**

The infrastructure augmentation was taken up by the zealous Management and the project was completed on systematic and continuous basis. For about two decades, management has been mobilising funds from the same donors and agencies. They felt financial pinch this time. The Health Centre was revamped obtaining interest free loan from a management member. Rs.12.5 lakh Parking Shed Project is completed drawing interest free loan. 30 KVA Solar Power Plant has been installed only for a single block. The ambition to install the plants in all the blocks

remains unaccomplished. Spiralling cost of every item of infrastructure makes it cost prohibitive. So, Government Grants on Infrastructure are desirable.
